## QUALITY POLICY

- ★ We are committed to provide goods and services, which meet customers' expectations and needs.
- ★ Our aim is to achieve 'Quality Right the First Time'.
- ★ We are committed to comply with the requirements and continually improve the effectiveness of Quality Management System through teamwork, training and motivation.
- ★ We shall formulate quality objectives for all functions and involve employees in fulfilment of the same.
- ★ The Quality policy and the quality objectives will be reviewed for continuing suitability.
- ★ Our unwavering dedication to quality extends to every facet of our operations.
- ★ We are driven by the pursuit of excellence and the goal of consistently exceeding our clients' expectations.
- ★ To achieve this, we have implemented and rigorously adhere to recognized quality assurance systems that govern every step of our processes.
- ★ This comprehensive approach begins with the initial review of the specifications provided by our clients and continues through the design, manufacturing, testing, and documentation phases, ensuring that each stage aligns perfectly with the customer's requirements.
